

Final External Auditor Report and Certificate 2022/23 in respect of Ongar Town Council EX0189

Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor's limited assurance opinion 2022/23

On 26 September 2023, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2023. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with *Proper Practices* and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Section 1, Assertion 3 has been answered incorrectly. Information has come to our attention that a resolution was made in the full council meeting in December 2022 regarding amendments to a lease. This appears to have overturned a resolution made in the July 2022 meeting five months earlier. In our view the December resolution was in breach of the six month rule which would have required a special resolution with written notice by at least five Councillors according to the smaller authority's standing orders. There were also concerns raised regarding conflicts of interest in respect of the decision made in the July 2022 meeting. There is currently some uncertainty as to which, if any, amendments were actually made to the lease which the smaller authority is following up. In light of this information, in our view this assertion should have been answered 'No'.

Other matters not affecting our opinion which we draw to the attention of the authority:

As noted above, the smaller authority has confirmed that there is some uncertainty regarding amendments made to certain leases which it is currently working to resolve. This should be addressed as a matter of urgency.

We received challenge correspondence in relation to the 2023/23 AGAR which we considered before completing our work. The authority will receive an invoice in relation to this additional work.

External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
