1.2 The Responsible Financial Officer (RFO), is a statutory office and shall be appointed by the Council. The Clerk has been appointed as RFO for this Council. Under the policy direction of the Council, the Clerk shall be responsible for the proper administration of the Council's affairs. The Clerk shall determine on behalf of the Council its accounting records and accounting control systems. The Clerk shall ensure that the accounting records of the Council are maintained and kept up to date in accordance with proper practices and that secure back up provision is made for all the Council's computerised financial records.

1.4 The Clerk shall produce financial management information as required by the Council.

1.5 The Council shall be responsible for ensuring that the financial management is adequate and effective and that the Council has a sound system of financial internal control which facilitates the effective exercise of its functions and manages risk and facilitates the prevention and detection of fraud and corruption.

1.6 The Council shall review, at least once a year, prior to approving the Annual Return, the effectiveness of its systems of internal controls and shall produce a statement on internal control with its statement of accounts.

1.7 In these financial regulations, references to the Accounts and Audit Regulations shall mean the Regulations issued under the provisions of section 27 of the Audit Commission Act 1998 and then in force.

1.8 In these financial regulations the term "proper practice" or "proper practices" shall refer to guidance issued in Governance and Accountability in Local Councils in England and Wales – a Practitioners Guide which is published jointly by NALC and SLCC and updated from time to time.
