

ONGAR TWINNING

Keeping Ongar Connected to Cerizay, France and Building International Friendships

For over 40 years, the Ongar & District Twinning Association has helped foster friendships, cultural exchange, and understanding between the people of Ongar and our twin town of Cerizay in the Deux-Sèvres region of France.

Twinning is about much more than visiting abroad!

Twinning helps to strengthen the understanding between people of different countries, while celebrating the character of our local communities.

WHAT DOES IT ACHIEVE?

It creates opportunities to:

- Build lasting friendships with people from different countries
- Experience different cultures, traditions, and ways of life
- Welcome overseas visitors to Ongar and showcase our wonderful community and rich heritage
- Encourage educational and cultural exchanges for all ages
- Strengthen international understanding and goodwill
